RAELY-BURNS BOUT.
Both Men Are Training Hard for the Battle of November 6.
The twenty-round contest between Pat Raely and Tom Burns for the middleweight championship of Virginia, Maryland and the District of Columbia, which will take place at the Casino, November 6, at a suburban road house, is the subject of discussion among local sports since the postponement of the Dally-Wilson fight, which would have been held on that night but for the injury to Dally's hand in his fight with Billy Vernon at Syracuse, N. Y., last Monday night.

It is known that Raely is training hard for the battle and is already in fine condition. Pat is now within two pounds of weight, dipping the beam at 145 pounds. The articles call for 154 pounds at 3 o'clock on the afternoon of the fight.

Raely's method of training has been in long walks and runs. He has been playing the rope and punching a ten-pound sand bag. He also spars with his trainer at regular intervals during the day.

Raely is anxious to bring the championship to Washington, as well as to make good the faith of his friends who have planned the bout to take place here. He has had a chance to retrieve the reputation he lost when the late Billy McMillan punched him out with one blow, and Burns is sure to find him a difficult proposition.

As has been stated in The Times, nothing is known of Burns. He has from California and poses as an "unknown." He is tall and lanky and will have no trouble getting down to required weight. He is training at a resort on the coast, south of San Francisco, and is going through the daily program generally adopted by pugilists. Burns states that he will give out his record for publication and that he is confident of his ability to win the bout.

Dixon and Whitaker Matched.
Buffalo, N. Y., Oct. 29.—Tommy Dixon of Rochester and Johnny Whitaker of Kansas City have been matched for a twenty-round bout for the middleweight championship of the United States Athletic Club of this city on November 4.

WITH THE FIGHTERS.
Lavigne and Evernart received valuable bits of paper from Charlie Gensinger yesterday. The "Kid," of course, was given the bigger check, but was content with \$500. The Southern boxer had to be content with \$500.

Pat McPartland is flying at high game when he expresses the desire to take a K&L Lavigne. McPartland has been wonderfully successful in his bouts, but experts will agree that he has no chance with Lavigne.

Senatorial Ball Trades.
Earl Wagner said he had received an offer of certain Pittsburg players and a large cash bonus for DeMontreville, but refused to accept it. DeMontreville is a native of Washington and a great local favorite. "Not only would public sentiment criticize such a trade, but my infidelity would be weakened by it," said Mr. Wagner. It is probable that Backus McGuire and McAuliffe will be sold to New York. Jorje wants McGuire, but Wagner would rather part with McAuliffe for a cash consideration—New York Evening Telegram.

FOR INTER-CITY FOOTBALL

C. A. C. and the Baltimore Team to Play Three Games.

FIRST TO OCCUR TUESDAY

Management Concludes Arrangements for the Contests. Trophy to Be Offered Maryland Athletic Club Said to Have a Strong Team With a Poe in the Line-Up.

Athletic goodwill between this city and Baltimore is to be furthered in a way that will be good news to the footballists and lovers of the game. The managers of the Columbia Athletic Club, with those of the Maryland Athletic Club of Baltimore, have arranged a series of three games between the teams of the two clubs to take place in November. These contests are virtually for the football championship of the two cities and will doubtless arouse great interest and enthusiasm in both this and the Monumental City. The prominent position of the two athletic clubs in their respective cities causes the teams of each to be generally regarded as the representative ones, so there will be a considerable amount of local pride involved in the outcome.

TO PLAY FOR A TROPHY.
It is believed that the prize will go far as a valuable trophy being provided for the winning team, by the merchants or other public-spirited citizens of Washington in view of the fact that the teams will be fiercely contested, both teams realizing that on their shoulders will rest the football prestige of the cities they represent.

The first game will be played in Baltimore on Tuesday—election day. Manager Culbertson of the C. A. C. was anxious to play this game soon after the two contests at Langston and Fort Monroe, but the Baltimore people were so desirous of seeing the game election day, which is a holiday in Baltimore, that the game was finally arranged. It is hardly probable that the Winged Arrow men can put up their best game on that occasion. That, however, remains to be seen.

The second game of the series takes place in Washington a week from Saturday, November 7, and will be played either at Columbia Field or National Park. The date and place of the third game has not yet been arranged, but it will very likely take place here.

SECOND GAME HERE.
Washington is always a good football town and a large crowd would be assured, especially in view of the fact that the C. A. C. has put out so strong a team this year. The team of the M. A. C. is not very well known here, but it is understood that it is composed partly of old college men who have won reputations on the gridiron. A young scion of the famous family played quarterback last year. It is said that his work shows all the signs of equaling the reputation gained by his brothers in the collegiate football world.

In the event of failure to secure the army team of Fort Monroe for the Thanksgiving day game, the third game of the series may be the attraction for that holiday. Such an arrangement would undoubtedly be very popular with the public, and the interest and enthusiasm would exceed that of the old C. A. C. Georgetown contests.

Columbia and Central.
Last night the management of the Columbia College football team secured the C. A. C. athletic field, corner seventeenth and C streets, for a game today with the Central High School team. This will probably be the only game of the season. The two institutions will come together on the gridiron this season, owing to the decision of Earl Wagner regarding National Park. The teams are very evenly matched, and a strong game is expected. The results of the annual Columbia-Central games are usually very close, with winners by the local team. The game will be called at 3:30 sharp.

WASHINGTON GOLF CLUB.
Series of Fall Games Has Been Arranged.
The Washington Golf Club has arranged a series of fall games to be played on its links near Rosslyn. A cup will be offered for the best score of nine holes, handed in during each month of the season. The handicap of a previous month will govern all scores. The entry fee has been fixed at 25 cents for each card.

Players can enter as many times as they wish, purchasing additional cards. In order to assist the handicap committee it is requested that all cards be put into a box, provided for the purpose. The silver trophy will be played for on the first Saturday in each month.

POLO AT FORT MYER.
Officers to Meet the Warrenton Team Tomorrow Afternoon.
The first of a series of polo games between the team composed of officers stationed at Fort Myer and the Warrenton team will be played on the plains at Fort Myer tomorrow afternoon, beginning at 3 o'clock. The public is cordially invited to attend the game.

This is the game originally fixed for October 15 and postponed indefinitely on account of the absence from the city of some of the players. More than ordinary interest is being taken in the game, not only because the teams are so well matched, but because of the large following each has. The winner of the game will be played tomorrow against Col. Bagge. The prize to the winner is a box of balls. There will undoubtedly be a large turnout of club members and other interested in the sport.

HIGHWAYMAN STORY A FAKE

Charles Kaiser Accused of Having Killed His Wife.

HER LIFE HEAVILY INSURED

Murdered Woman Also Made a Will Short Time Ago, Leaving Property to Her Husband—Police Recover Articles Alleged to Have Been Stolen.

Norristown, Pa., Oct. 29.—A murder unparalleled in the annals of crime in Montgomery county, was committed early last evening on a public road in Upper Merion township, near Bridgeport. Mrs. Emma Kaiser, the young wife of Charles O. Kaiser, Jr., was shot down as she rode along with her husband, who was driving a carriage standing in the road, lay Mrs. Kaiser dead.

The first information of the tragedy was received when Kaiser drove into Bridgeport with the body of his wife beside him. The only witness of the crime was the alleged murderer himself and the only details to be had were gleaned from him first by Frank S. Mangel, of the Farmer's Hotel, and later by the police.

Mr. Mangel, accompanied by his daughter, was driving to Norristown, and when he reached a point on the road skirting William P. Davis' farm, near the Tontemont station, he saw Kaiser driving wildly about in the road shouting "murder, help." In a carriage standing in the road, lay Mrs. Kaiser dead.

The police, who were called to the scene, found the body of the woman and the carriage. The police recovered several articles alleged to have been stolen from the house of the deceased.

Others might claim a trade conquest. Others might dote upon the supremacy of their values. But, without a fundamental cause for strenuous cuts in prices, commerce loses its name.
